## WINE ANALYSIS

**ALCOHOL CONTENT:** 12

**ACIDITY:** 3.38

**RESIDUAL SUGAR:** 1.7

**PH:** 3.5

## WINEMAKER'S COMMENTS

**COLOUR:**An attractive pale yellow colour with green highlights,

**NOSE:**a forward, delicate, characterful bouquet with a floral emphasis (linden blossoms and vine flowers).

**PALATE:**well-balanced, smooth and fruity on the palate, as well as quite crisp. A long, aromatic aftertaste rounds this wine out beautifully.
